Another Collection of Drabbles

**Hello! Bonjour! This is my first fanfiction of the Pokemon franchise, so I decided to do something simple like a drabble or two. If you like them and would like to see more, you could always review. Or not. **

Ferid felt a jolt of electricity course through his body. He cursed himself mentally, he wasn't expecting that Emolga to be so continuous in it's attacks. Looking back at his opponent, the electric and flying type pokemon had a smug grin of superiority. The other flying pokemon soon gasped as he realized he was unable to move. Ferid looked down, the mighty ocean beneath, hungry for his arrival into it.

As he felt the noise and wind around him increase, he came to the conclusion he was falling.

Ferid was _paralyzed. _

**A lot of these drabbles may be about Shaymin, so I figured the picture of the flower suited the fanfiction well.
